1. DEFINITIONS

“ACS” means Ashutosh Container Services Pvt. Ltd.

“CFS” means Container Freight Station.

“Coastal Vessel” shall mean any vessel exclusively employed in trading between any ports or place in India to any other port or place in India having a valid coastal license issued by the competent authority.

“Container” means the standard ISO container, suitable for transport and stacking of cargo and must be capable of being handled as a unit and lifted by a crane with a container spreader.

“FCL” means Containers said to contain Full Container Load. “Foreign Vessel” shall mean any vessel other than a coastal vessel.

“Hazardous Container” means a Container containing hazardous goods as classified under IMO.

“LCL” means Containers said to contain Less than full Container Load (Container having cargo of more than one importer/exporter).

“Over Dimensional Container” means a Container carrying over dimensional cargo beyond the normal size of standard containers and needing special devices like slings, shackles, lifting beam, etc. Damaged Containers and Containers requiring special devices for lifting are also classified as Over Dimensional Container.

“Per day” means per calendar day or part thereof.

“Shut Out Container” means a container which entered the terminal as export for a vessel as indicated by VCN and not connected to the vessel for whatsoever reason.

“Reefer” means any Container for the purpose of the carriage of goods, which require power supply to maintain the desired temperature.

“Port” means the Port of Mundra.

“Terminal” means Mundra International Container Terminal Pvt. Ltd.

“Tonne” means one metric Tonne of 1,000 kilograms or one cubic meter.

“VCN” means Vessel Call Number.

2. GENERAL

- 2.1 Containers less than and up to 20' will be reckoned as one TEU for the purpose of tariff.
- 2.2 All invoices are issued as due on presentation. Failure to pay may cause a lien to be placed on the goods handled at the Terminal and the responsible party may be denied further use of the Terminal until all outstanding charges have been paid.
- 2.3 This tariff booklet should be read in conjunction with the CFS operating procedure.
- 2.4 This Tariff Booklet supersedes the earlier Tariff Manual as well as all earlier notified Tariff Modifications.
